DEDICATION...

To DR. DANIEL JOHNSON BRIMM

To a worthy teacher, a genuine and understanding friend, a man of indomitable courage and strength of character, loved and respected by students and faculty, we sincerely and with great pleasure dedicate this 1947 PAC-SAC.

Teacher, Counselor

and Friend

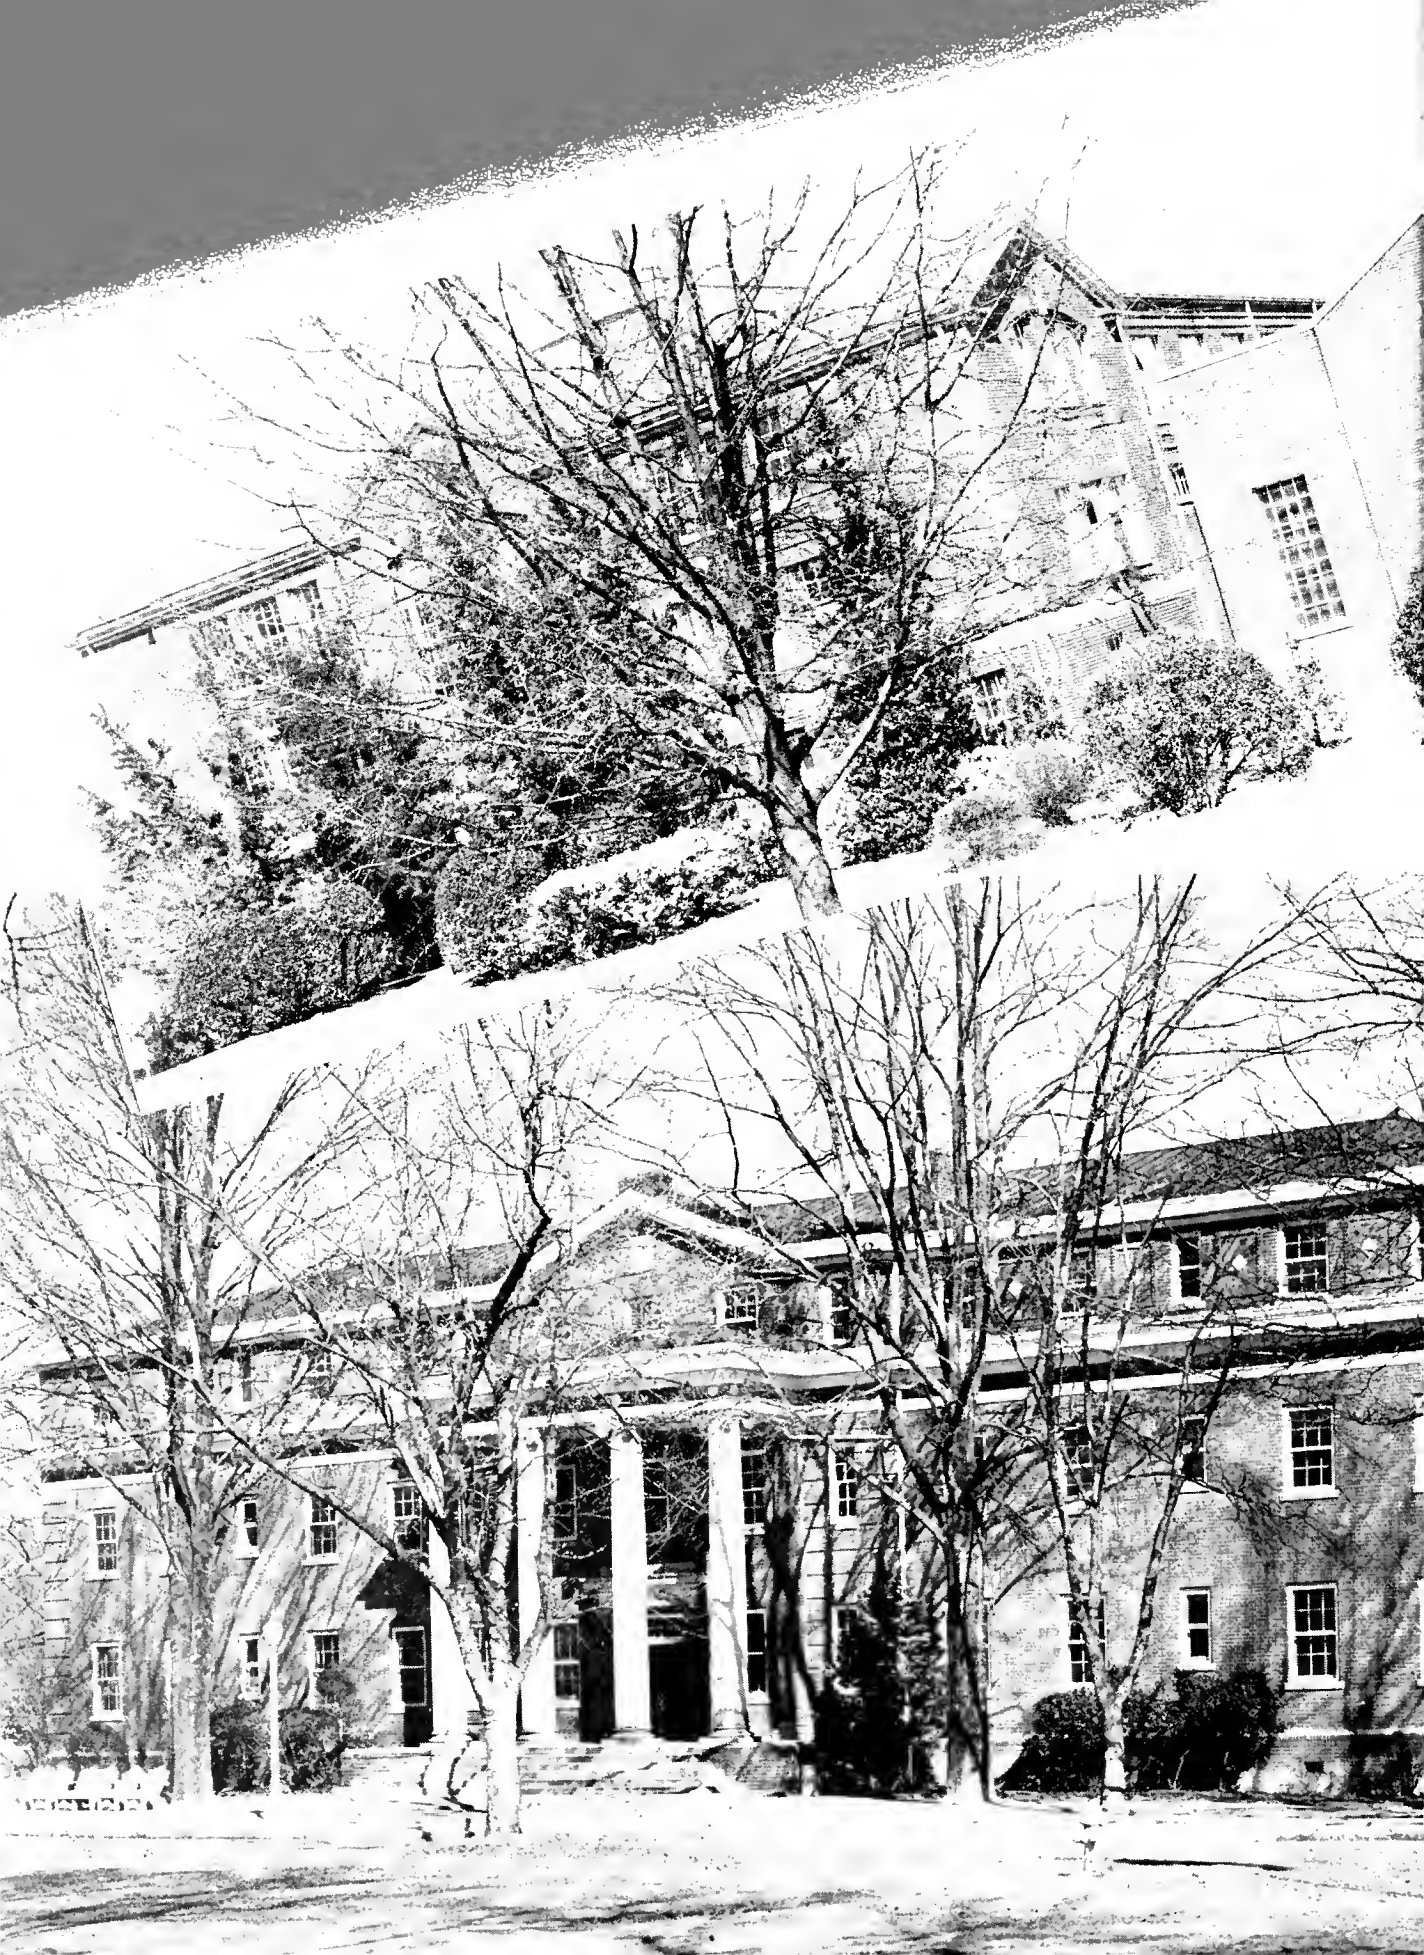

"Thou Art Built on Faith...."

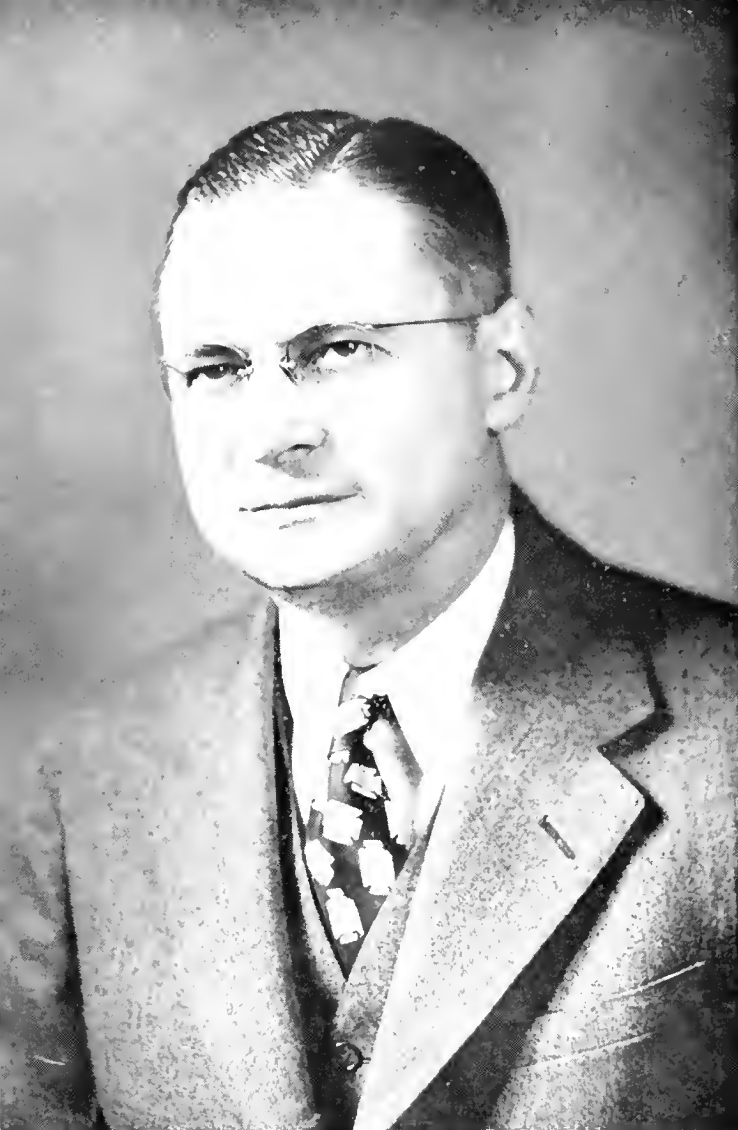

*At
Presbyterian*

RAY CROWSON
Editor

JOHN BELL
Business Manager

Only those who have helped in the publication of this thirty-first volume of the Pac-Sac are fully aware of the difficulties and problems with which we were confronted. Much credit is due to Associate Editor Russel Park, Sports Editor James Banbury, Feature Editor Doris Baldwin, and Photographer Ed Walters for their help, continued interest and cooperation. Our thanks to the other members of the staff for aid and to those who are not official members of the staff: Mrs. Mike Turner and Hugh Jacobs of Jacobs Press, and C. E. Nichols, the Pac-Sac photographer.

In this, the first post-war annual, we have refrained from indulging in themes of war and patriotism. However, the absence of many classmates has moved us to insert a serious note, an expression of our reverence for the memory of them and their sacrifice.

To trace the life of the Senior of '47 from entrance, bewildered and frightened and wondering what college held in store, to graduation would be difficult task, for these years were interrupted by the tragic events of the war. We have enjoyed witnessing and playing with the Blue Stockings in athletic contests and being a part of that traditional "PC Spirit" that is the greatest part of Presbyterian College. We danced at Pan-Hel sets, we studied, played, had our bull sessions, and planned for the future. It is with these thoughts in mind that we have presented the 1947 Pac-Sac.

WARREN KOON

Editor

DUREN JOHNSON

Business Manager

For the first semester, Editor Warren Koon of The Blue Stocking gets our nod for meritorious achievement, with official word coming from the Collegiate Press in the form of an announcement that The Blue Stocking gained a "first class" rating, just one rung below All-American. Starting from scratch, Editor Koon and his staff did a commendable job and have laid the ground work for future Blue Stockings.

WILSON WARREN
CAMMY MCINTYRE

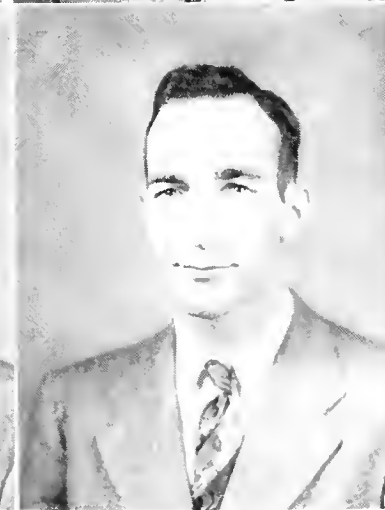

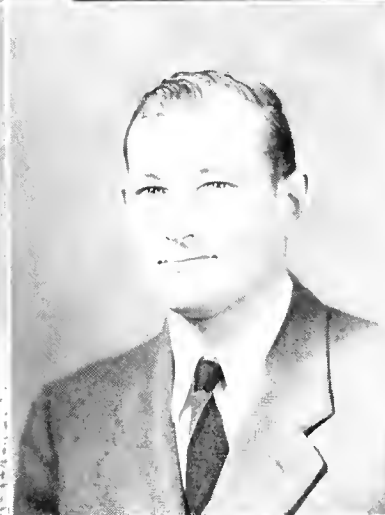

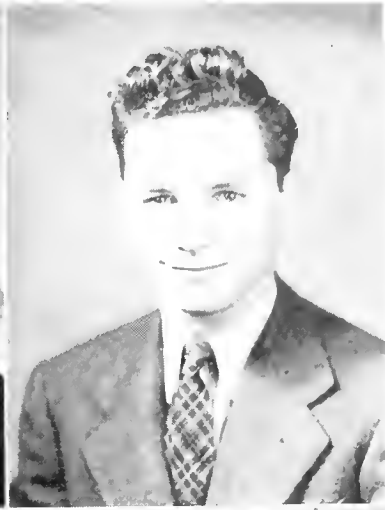

Leading the student body for the past year was Pitts DeLorme, president of the student council, whose popularity and sincerity gave to the council the full cooperation of the student body.

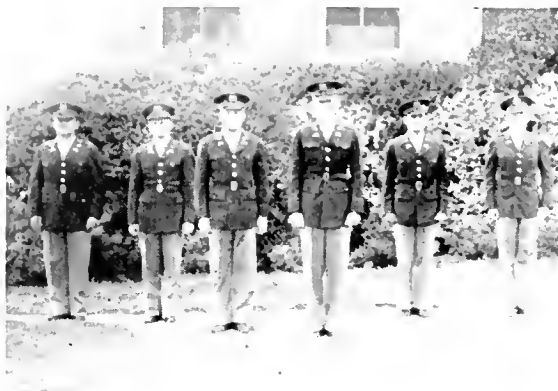

The entire government of P. C. is in the hands of 10 student councilmen who are elected each year for their high standings as Christian gentlemen and leaders. The honor system which they represent is a vital part of all school activities, and the work of this group is the most important of all campus functions.

 CADET MASTER SGT. MOOREFIELD . Sgt. Major

In the spring of 1919 the Reserve Officers Training Corps was established at P. C., and since that time it has come to be one of the most important activities of student life on the campus. It is now one of the most efficient units in the South and under the leadership of Lieutenant Colonel Fraser, Captain Moore, Master Sergeant Quinn, T Sergeant Young and S Sergeant Calloway, the unit has maintained its high standing this year.

The members of the battalion wear the blue star which signifies that we have an excellent unit, and this in the spring when the inspector comes around, we can safely say that we have again earned the privilege of keeping the star.

Under the capable leadership of William Cruickshanks, the battalion at P. C. has made itself one of the best military units in the South again this year. With the help and leadership of the seniors the P. C. reserve officers will be prepared for camp and we predict that the cup for the best unit at summer camp will come back to P. C.

WILSON WARREN
President

Ministerial Club

The Ministerial Club of Presbyterian College was founded in 1936. The club purposes to provide a means whereby the student who is devoting himself to full-time Christian service may find expression of his desire to do Christian labor by providing practical work. The organization further wishes to form social bonds between the members, to assist each member in every possible way to become a better servant of Jesus Christ, and to promote the coming of the Kingdom of God.

Student Christian Association

Thanks to the Student Christian Association for their work this year at Presbyterian College. The S. C. A. has an overall function on the campus. This year they sponsored intramural sports, chapel services, religious services on the campus, and the annual Religious Emphasis Week. The S. C. A. is better organized this year and it is promoting a drive to give the campus an improved S. C. A. building for next year. S. C. A. has contributed a vital part in making postwar P. C. the Christian institution it has always been.

WHO'S WHO

Eight members of the student body have been selected by a unanimous vote of the College faculty to have their biographies included in the 1946-47 issue of Who's Who in American Colleges and Universities.

The purpose of Who's Who, as stated by its publishers, is "to serve as an incentive for students to get the most out of their college careers; as a means of compensation to students for what they have already done; as a recommendation to the business world; and as a standard of measurement for students."

As a result of their selection, the eight representatives from Presbyterian College will be included in the annual publication along with the top few students from over 600 other American colleges. Copies of the book are placed in the hands of hundreds of companies and others who annually recruit students for employment.

International Relations Club

WALLACE BARNHILL
President

The International Relations Club, an organization which affords students an opportunity to become better informed on current events of world-wide interest, was made possible through the Carnegie Endowment for International Peace. The local chapter of I. R. C. was organized in 1924, and it is the only organization on the campus to which membership is attained through competitive examinations. Examinations on current events are given by, or under the direction of, the officers of the club each semester to fill vacancies in the quota.

The programs at the regular by-monthly meetings consist of formal addresses, informal discussions and book reviews. Books on international affairs are received from the Carnegie Endowment and are placed on a special shelf in the school library for the use of club members.

Blue Key

BUDDY JONES
President

The Presbyterian College chapter of Blue Key, national honorary leadership fraternity, was established March 29, 1932—therefore, the 1946-47 college year marked the conclusion of fourteen years of outstanding service rendered the college by the organization.

In the preamble to the Official Code the purpose for which Blue Key is established has been clearly set forth: "In order that through the organized effort among student leaders in American colleges and universities,

"(1) The belief in God will be perpetuated and intensified, and the government of the United States will be supported and defended.

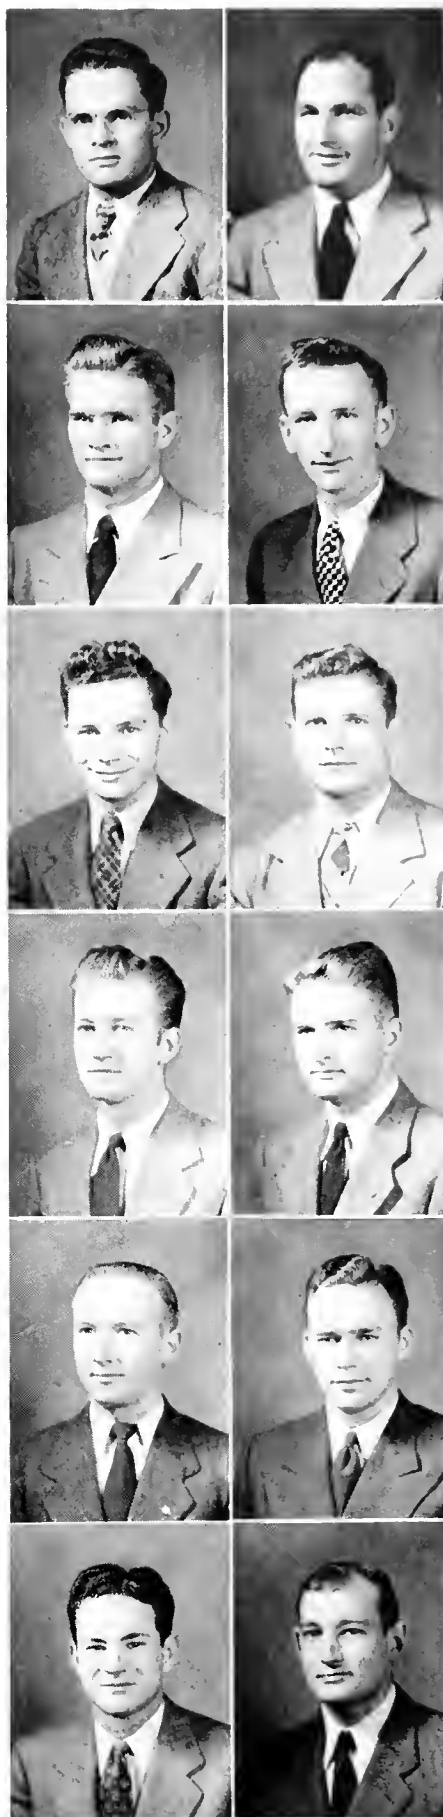

"(2) An ambition for intellectual attainment and desire to serve college and fellows will be fostered among students.

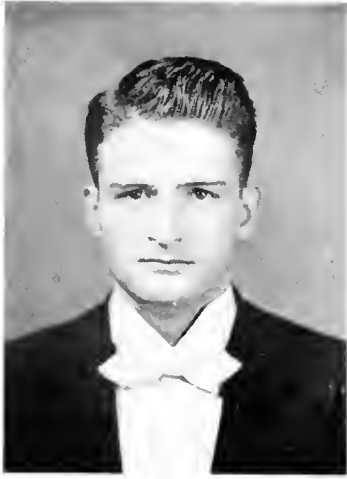

"(3) Student problems may be studied, student life may be enriched and the progress and best interests of the institutions in which the organization is formed may be stimulated and promoted."

Council

The students of Presbyterian College owe a vote of thanks to the members of the Pan-Hellenic council who have performed great tasks without thanks. The difficulties which they have to surmount in putting on a set of dances are not known by the student body.

The members are elected by each fraternity as their representative to the council. The council this year operated under the competent leadership of Harry Hicklin.

The council again ruled the rush season and regulated the season with a great deal of success. More men were pledged this year than ever before. The council honored the new men with a set of Pledge Dances to which the pledges were admitted free of charge.

"BEE-MAIL"

VOLUME I

NUMBER I

Dear PC'uns,

Please pardon our plagiarism. We don't really mean to steal from the "Bee-mail" news letter which you came to know so well during World War II, but we thought this might prove an effective method to say what we have to say.

The principal thing we have to say is a tribute to the lady who originated "Bee-mail"—our former registrar and the wife of our College president, Mrs. Marshall W. Brown. Her newsy mimeographed letters reached hundreds of us, alumni and present students alike, in all the far-off corners of the world. To say that they cheered us, that they raised our morale would be one of those masterpieces of understatement.

The Alumni Association honored Mrs. Brown at Homecoming last Thanksgiving by awarding her a Gold "P" as alumna of the year, breaking two traditions in making the award: (1) that no alumna has ever before won the award, and (2) that Mrs. Brown, although not a graduate of PC, was made an honorary member of the Association.

But even that was not enough tribute, and we can never pay enough tribute for the joy, the comfort, the morale that these news letters gave us in keeping us in touch with the people we love most of all, PC'uns, and the school we love most of all, PC.

But, at least, we want to raise our voice with the others, gratefully saying, "Thanks, Mrs. 'Bee'!"

* * * *

And as for PC this year, the old school has been carrying on in high style. For some of our accomplishments:

Enrollment reached 446, greatest in history.

Homecoming was attended by more than 1,000 alumni and former students, and more than 5,000 overflowed Bailey Memorial Stadium to see the Blue Stockings win over Newberry's football team.

Our football team remained undefeated in the last seven of nine games to rank higher against all competition than any other South Carolina team and as one of the best small schools in the nation.

A PC football player, Hank Cover, passer de-luxe, was named to the first team Associated Press "Little All-America", the third PC'un to be so honored since the team was initiated.

We instituted the "Bronze Derby" as a traditional symbol of athletic victory between PC and Newberry and then won it the first time it was awarded by downing the Indians 44-42 in basketball, a game that saw Leroy Springs gymnasium over-flowing and the crowd in a near panic from the thrills of the game.

The Alumni Association launched a three-objective drive for funds which will (1) increase PC's endowment, (2) help to build a student recreational center, and (3) aid worthy athletes and the athletic plant.

Spring sports—tennis, track and baseball—returned to their pre-war brilliance.

* * *

Those are but a few of PC's accomplishments in recent months, but you can depend on there being more and more.

Thanks once again to Mrs. "Bee", and pardon us for the plagiarism.

Sincerely,
THE PAC-SAC

Alpha Sigma Phi was founded at Yale University on December 6, 1845, and is the tenth oldest college fraternity.

The purposes of the fraternity are to foster education, maintain charity, and promote patriotism. The objects are to encourage culture and high scholarship, assist in the building of character, promote college loyalties, perpetuate friendship, cement social ties within its membership, and foster the maintenance of college homes by chapters for their active members.

Alpha Kappa Pi, which was formerly established on P.C. campus in 1921, as Eta chapter was merged with Alpha Sigma Phi on September 7, 1946. Agreement was made to use the name Alpha Sigma Phi since it was the older.

Pi Kappa Alpha

Colors: GARNET AND GOLD

Flower: LILY-OF-THE-VALLEY

On March 1, 1868, Pi Kappa Alpha fraternity was founded at the University of Virginia by six friends who met there after having served in the Confederate Army. For a period of years Pi Kappa Alpha was limited to the South and Southwest, but in 1909 the ban was lifted, permitting charters to be granted anywhere in the United States. The chaotic conditions of southern colleges following the Civil War made the fraternity's early life difficult, but since then it has grown prosperously. Mu Chapter at Presbyterian College was chartered in 1890 and has been inactive only once, from 1909 to 1921.

Football

Presbyterian's fighting Blue Hose burst into post-war brilliance, having their most successful football season in many a year as they copped the "Little Four" title, had the best sea-

son of any team in the state, and went on to place Hank Caver on the "Little All-America" squad, while several others received berths on the all-state crew.

WILSON

Coach Lennie McMillian, ably aided by line coach Ben Moye and backfield mentor Jim Todd, moulded a fine, smoothly operating "T" machine that hit on all 11 "cylinders" after opening defeats by Clemson and The Citadel. After the loss to the Charleston team, the Stockings took seven straight games, whipping formidable opposition in Sewanee, Erskine, Stetson, Catawba, Wofford, Appalachian, and Newberry.

American
Back

Coaches Todd and Moye, who handled the backs and linemen, respectively, proved to be immeasurable help to Coach Lonnie, and the trio produced one of the best fundamentally coached teams in the South. Todd was a Georgia U. star of the early forties, being a backfield man on the 1942 Rose Bowl Bulldog team. Ben Moye is remembered as a Blue Hose great from 1942, starring at tackle his four years at PC and going on to achieve stardom in the line for the Second Air Force Superbombers during the war.

OTIS
WEAVER
End

Allen in Action

PC 0-Clemson 39

The season started rather tamely for Hose supporters, as the squad once more took off for Clemson and came home Saturday night on the short end of a 0-39 count. From that beginning Hose fans little realized what was to come, as the big Bengals kept PC's "T" pot from boiling over, the Hose clicking only on scattered occasions.

According to tradition it was sweltering up in Tigertown, and the heat paid off in favor of the Howardmen, as substitutions and a superior attack crushed the Sock chances.

PC 6-Citadel 7

Six days later in Charleston, the Blue Hose ran out under the lights of Johnson-Hagood field and bucked a favored Citadel team all the way, losing by a single point, 7-6, after being inside the Bulldogs' 10-yard marker four times.

It was here that the now famous "Operation Moon", operated by Hank Caver, came into being. Caver heaved 36 passes that night, 16 of them connecting for over 210 yards, the Hose touchdown coming on a pass from Caver to Herb Lindsay from 10 yards out.

In the second stanza the Hosemen started rolling and in a 55-yard march by aerials to Lindsay, haliback "Deeta" McCommons, and end Dick Kaleel, scored; Rollins' placement failed and the half-time ledger read 6-0, PC.

Finally, the last quarter saw The Citadel come to life, as they drove to the Blues' five-yard line, only to be held. Following the punt by PC, the Bulldogs went to the Presbyterian two on an interference penalty, and scored two plays later. Guard Bill Henderson

WILMER JOHNSON
Guard

PITTS DeLORME
Guard

booted the point, and that was the ball game.

Near the end of the fracas the Hose sped 78 yards to the Citadel two-yard line, where four passes fell incomplete. A touchback on a tackle made by guard Turner was called back on an offside penalty.

PC 12-Sewanee 7

Number one in the string of victories came at the expense of the Sewanee Tigers, as the Hose took to the road for the third week in a row, tripping the Purple and White, 12-7, in a game that showed indications of a bigger score.

After running all over the Tennesseans for the first quarter and most of the second, the Hose had to take advantage of a Sewanee fumble on the Sewanee 27, where Herb Rollins carried to the 10, and on the next play, fullback Howard Willis plowed over right tackle for the score.

An 83-yard march gave the McMillianmen their second score in the third period, when Rollins and halfback Jerome Norton alternately pushed to their own 45 from the 17, and "Moon" Caver trotted back, chunked one to Norton, who pedaled to the Sewanee 14, the pass and run good for 42 yards. From there Caver passed to fullback Willis, in at end, to the enemy three, where Rollins circled left end for the counter.

The Sewanee score came in the last frame, when Franklin passed to Leach who lateraled to Watkins on the 20, Watkins going the remaining distance for the score.

Outstanding for the Hose were Norton and Rollins in the backfield, guard Turner and end Kaleel, along with big Dewey Riddle, who turned in a bang-up job from his tackle post.

PC 37-Erskine 0

Number two was Erskine, as the McMillianmen went out in front in the first quarter under the lights in Bailey Stadium, scoring once in the first period, twice in the second, once in the third quarter, and twice more in the last period to run up a total of 37 points, the largest margin of the year.

Norton scored the first touchdown, pushing over from the five, after a drive of 45 yards. The next score was probably the most spectacular of the season, as Cally Gault, reserve halfback, took an Erskine punt on his own 18-yard line, went to the left, reversed the field, and behind precision blocking sped 82 yards down the sideline for the score.

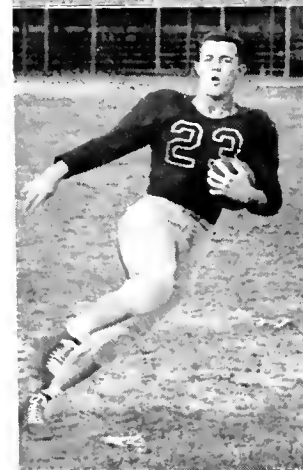

Norton again got in the Fleet's hair, intercepting an Erskine pass in the second quarter and running 65 yards for the third score, making the half-time margin 18-0.

McCOMMONS
Back

GRESHAM
Back

NORTON
Back

Three more touchdowns were scored that night, as McCommons returned a punt 90 yards for a touchdown, Norton scored on a 30-yard pass from Rollins, and Herb Lindsay at end snagged a pass from sub quarterback Allen Draughon for the last Hose counter of the night.

The Erskine fleet was a fighting crew, making progress goalward particularly in the last half, but the big Hose line kept the Fleet in check when they were needed.

PC 25-Stetson 0

Third on the Hose parade of wins were the invading Stetson Hatters, who succumbed to the "Operation Moon" of the Hose. They were shut out 25-0 in a Friday night game played at Clinton in a drizzling rain that failed to stop the passes of Caver and Rollins.

High-speed Jerry Norton scored the first touchdown of the night as the Hose got in scoring distance when end Dick Kaleel blocked a Hatter punt on the 35 and carried the ball down to the 10. In three plays the Hose had their initial counter, adding another score in the second quarter as Norton scored again, taking a pass from Caver to make the half-time count 13-0.

Two more passes gave the red-jersied Hose the final two scores, one a Stetson pass that Herb Rollins intercepted on the Hose goal line and ran an even 100 yards to score. The last touchdown of the night was the combination of Caver to Herb Lindsay, "Operation Moon" going that time for 15 yards and the score. Johnson and Marsh at the guard posts were outstanding.

The

PC 13-Catawba 12

Number four was an upset, an upset over one of the most highly respected small college teams in the South, Catawba. The Hose went to Salisbury definitely the underdog, as the Indians were ranked 24th in the nation, but the Homecoming crowd of 3,000 wet fans saw the impossible happen as the Hose were red hot and whipped the Indians, 13-12.

It was halfback Billy Gresham's big night as he scored both of the Blue touchdowns, and along with "Deeta" McCommons, Caver, and the whole PC line, teamed up to keep Hose supporters in a turmoil as they took the play away from the heavy white-clad Indians, keeping Tony Georgiana, Bill Specht, and other Catawba stars bottled most of the night.

Georgiana scored for Catawba in the first quarter, but in the second period the Hose came back as Rollins hit Gresham with a long pass that covered 41 yards all told, Gresham running away from three defenders for the last 15 yards.

After the intermission, PC took advantage of a Catawba fumble, as Kaleel bashed into Specht on the Catawba 30, Specht fumbling, Kaleel recovering, and the Hose were off. Rollins threw a strike to Booty Ivey, in at fullback, and Booty moved to the nine-yard stripe. From that point Gresham took the ball hit off his own left tackle and got away three times from tackles, going over standing up.

The winning point came from a bad center, a quick flip back to Caver from Gresham, and then Caver's running to the left and passing to Norton in the end zone for the lucky 13.

Crowds Roar

HUGHES and BRAKE
Fullbacks

THE TWINS
Halfbacks

Catawba had a big team, a powerhouse, and, led by tailback Dinky Bowen, they threatened most of the last quarter, but were stopped time and time again by the great work of the Hose line, led by tackles Riddle and Bowles, ends Kaleel and Lindsay, guards Turner and Johnson, center Todd, and sub center Claude Howe.

It was the most impressive of the Hose triumphs for the season, as they simply outplayed the favored Catawba Tribe to spoil the night's festivities for the Catawba Homecoming celebration.

PC 33-Wofford 14

Number five, Wofford's Terriers in Spartanburg, saw the Hose suffering a let-down after the bruising battle with Catawba, but winning easily from the Methodists, 33-14, as Rollins showed the way with three scores.

The weak Terriers, whose points were the first of the season for them, were snowed under in the first half, the Hose running up 26 points, Rollins punching over from three and 77 yards out for the first two scores.

"Moon" Caver led the team to the third counter, as he faded back and passed to Howard Willis, in at end, for 35 yards and a touchdown.

Just before the half the Hose were off again,

with Bob Hughes, sub fullback, plunging over from the five after a drive of 46 yards.

Sewall scored for the Terriers in the third quarter, and a pass from Wall to fullback Mabry gave the Methodists their second counter of the game.

PC's last score was made by Rollins, who circled right end from five yards out, climaxing a 50-yard drive featured by the 22-yard sprint of Booty Ivey.

PC 14-Appalachian 7

Number six again fooled the forecasters, who generally picked Appalachian State over the Hosemen at Clinton but had to eat their words as the Blue marched 96 yards in the last quarter to edge out the Mountaineers, 14-7.

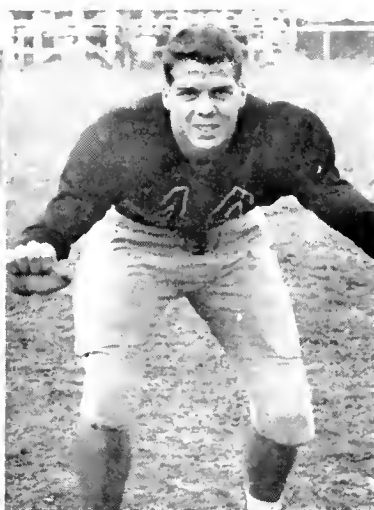

The McMillianmen struck in a startling manner for the first score of the game, "Operation Moon" being the method with which it was achieved.

From the Hose 35, Caver hit Booty Ivey with a pass good to the visitors' 36-yard line. Jerome Norton took a pass on the next down, going all the way to the three-yard line. Caver took the ball from the "T" on the next play, jumped, and Herb Lindsay gathered in the pass for the score.

RIDDLE
Tackle

LINDSAY
End

TURNER
Guard

The Mountaineers scored on second down after a PC fumble of an Appalachian punt on the PC three was recovered by the Mountaineers. The extra point was kicked, and the game was tied up seven all.

The great line play of the Hosemen showed up beautifully in the last quarter as the visitors, led by Johnny Hollars, a 210-lb. halfback, pushed down to the Blue's four-yard line, only to be held. From that spot, sparked by Rollins and McCommons, the Hose racked up 93 yards in six straight first downs, five of them by rushing, going all the way for the final score, Rollins circling right end for the final 10 yards. Caver successfully kicked both extra points to run the Hose total for the day up to 14.

The whole line deserves credit for the victory, as the pass protection and defensive work of the forwards Riddle, Cushman, Marsh, and DeLorme, was the deciding factor in the win.

PC 14-Newberry 13

Number seven: Newberry. A crippled and battered Hose eleven took to the field Thanksgiving day for the Homecoming classic in Bailey stadium, but the Hose ran up 14 points and then hung on the rest of the way to edge out the Indians, 14-13, in the season's finale.

Fumbles hurt the Indians, setting up one and giving the Hose the winning score.

The first score came early in the first quarter, when Maxwell of Newberry bobbled the ball on his own 33-yard line, Presbyterian recovering. PC worked the ball down, the pay-off coming from the eight-yard line, as Caver worked "Operation Moon", running to the right and passing to Dick Kaleel for the score. Caver converted and the score was 7-0.

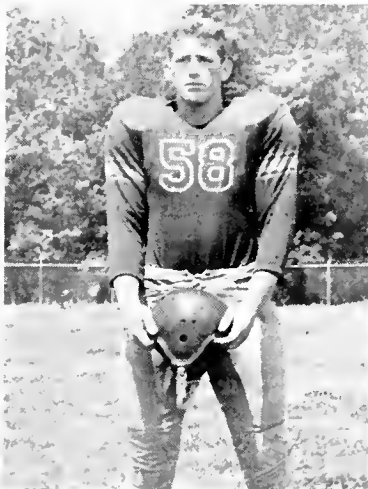

In the same quarter, Rush of the Tribe was hit hard by Riddle and the ball popped out of his arms into Herb Lindsay's grasp, Herb trucking 45 yards for what proved to be the winning score. Caver again converted, and the Hose led, 14-0.

For the rest of the game, the Hose stopped drive after drive by the Laval crew, giving in

twice as Lynch, the Tribe, prize halfback, center for one score, and Rush cut and right end from 10 yards out to end the scoring. Near the end of the game the Hosemen marched to the Newberry 16, only to have the game end at that point.

Basketball

The winning of the Bronze Derby from Newberry marked a successful windup for our first post-war basketball season for 1946-47, as the Hose took the last three games in a row to give a final season's standing of 5 won, 15 lost.

It was a question of too little and too late as Coach Lonnie's cagers presented a good first string combination but ran short on reserves.

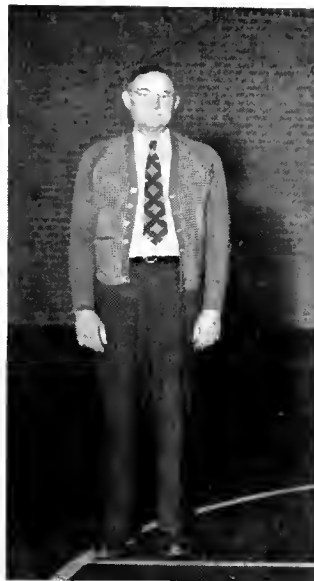

The Derby game was the season's end, in Leroy Springs gymnasium, with the hot Blues taking a thriller, 44-42, on a shot from the foul line by forward Vance Logan, who sank the winning basket with two seconds left in the ball game.

The small eight-man squad gave everyone a hard fight for at least a half, but usually tired from the rapid pace of post-war basketball and faded in the stretch.

The Hose had three good forwards, though, in Sophomore Vance Logan, Junior Lucius Morgan and Freshman Howard "Wonder" Willis. Willis particularly racked up his share of points and was a contender in the state scoring race until an ankle injury midway through the season cut down his scoring prowess.

Centers Herb Lindsay, a sophomore, and Adam Andrews, also a second year man, proved valuable to the team in the pivot spot. Both are tenacious guards and should bolster the PC court aggregation next year.

At guard the Calvinists had one of the state's most outstanding performers in Herb Rollins, a 16-letter man from the Pee Dee. Herb played as good a floor game as was to be found in Palmetto basketball circles, and is a non pariel at holding down an opponent's scoring total for the night.

COACH McMILLIAN

Roy Krouse, an aggressive type of player, usually drew the starting assignment for the other guard position and handled his duties carefully. Given the task of guarding the state's high scorer in one game, Roy held him to one field goal for the whole night's work.

Leo Mims, of tennis fame, was the only other player consistently in the Hose lineup at guard. As a freshman he showed up well and should be of great use to the Hosemen next year.

The entire squad returns next year with the exception of Rollins, and the veteran crew should come up in the state standings.

Coach McMillian, Willis, Logan, Andrews, Captain Rollins, Lindsay, Krouse, Morrow, Manager Wilson

FROUSE

ANDREWS

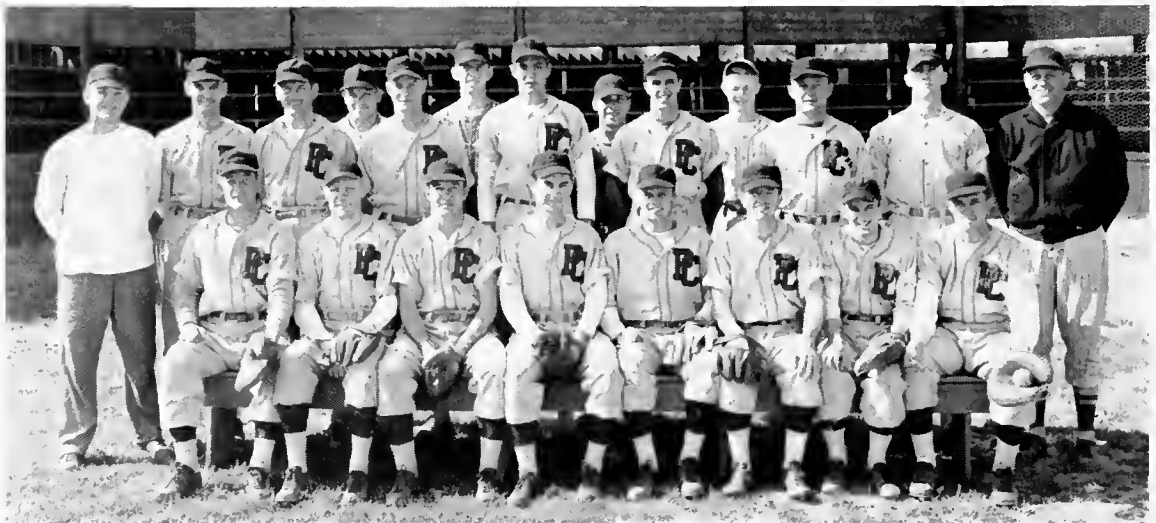

COACH WELDON

Coach "Coon" Weldon's 1946 Blue Hose baseball team recovered from a bad start, started playing ball like they had been predicted to, and pulled up into a position of a strong contender for the state race crown.

At writing, the Hose had knocked over six opponents in a row and were giving Hose supporters something to crow about as they clubbed the ball all over the lot, backed by fine mound performances.

The Hose pitching staff consists of four right-handers and a lone port-sider, Mac Fraser, whose deceptive curve has had many a batter swing at nothing.

Baseball

Sitting: Allfred, Morrow, Hunter, Graham, Raines, Fraser, McKinney, Berry
Standing: Manager Simpson, Gourdin, Burnett, Gibson, Willis, Wilkinson, Draughn, Bagley, Logan, Moore, Lyle, Vassy, Coach Weldon

The big four includes Wade Lyle, a returnee from the '43 team, whose steady pitching jobs have set down a long list of foes, and Whitey Morrow, as yet undefeated, a smooth-throwing pitcher whose precision delivery and tricky change of pace rank him with the top hurlers in the collegiate circles.

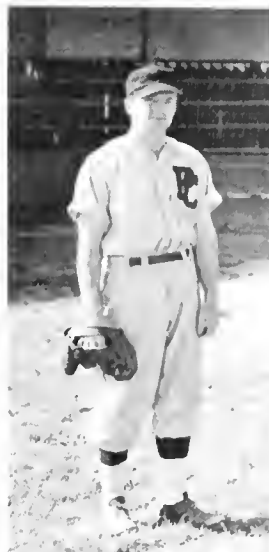

John "Monk" Raines, a standout in 1944-45, is showing up as better than before, and for all his diminutive size he has a fast ball and a bag of tricks that make him one of the most baffling pitchers a batter can face.

The lone freshman on the hurling squad is Allen Draughon, a fast-ball hurler from the land of the Tar Heels. Al has shown his stuff against the top opposition this year and should be a great asset to the Hose next season.

Around the infield it's Bobby McKinney at first, the squad's smallest man but one of its best performers; Hal Graham at second, now a steady, hard-hitting asset; Clinton's pride, John Hunter, at the hot corner; and basketball star Vance Logan holding down the shortstop post very capably.

In the outfield Herb Rollins roams, snagging

all that come near, with another local boy, Choc Burnett, in center, a glue-fingered chaser, and the freshman standby, Howard Willis, in right, all of which gives the Hose an out-field set that compares with any in the state.

To complete the battery, Bull Berry toils behind the plate, being spelled by Jim Allred when needed. The hard-hitting Bull is out for a great season, while Allred should be of valuable help to the club as time goes on.

As the season stands at this writing, the Blues are out for blood and should be big contenders next year, with all but four men coming back to the team.

WALLACE WALKUP

BEELAND

The 1947 track team, under the direction of Coach Lonnie McMillian, ably assisted by Ben Moye, has shown promise of developing into a real threat in the state meet this year.

Although defeated by Clemson and Newberry (for the first time in long years), the Blue Hose have outstanding performers on their small squad.

Getting into shape to run properly has been Coach Mac's worry this year, and the squad has rounded slowly into condition, with the promise of better things to come.

The Hose are undoubtedly strongest in the field, as huge'uns Bill Beeland and Dewey Riddle, assisted by the versatile Carl Hill, consistently place one-two in the shot put and discus.

The javelin is capably handled by Herb Lindsay, with Riddle and Buddy McMillian also throwing for good distance.

In the pits at the end of the broad jump lane land such men as Herb Rollins, earning his 16th letter, Monk Raines of baseball fame and Smiley Martin; while over the bar for the high jump roll Bob Hughes, a pole vault pusher also, Carl Hill, and Ray Lancaster.

In the sprint events the Hose have strength too, as Wallace Walkup speeds to wins in the 100 and 220 yard dashes, pushed by his brother Warren, and in the 440 yard grind Blake Watt rolls 'round, chased by Dick Lindsay and Bo McMillian.

For the half-mile, Herb Lindsay leaves his javelin and Ross Willis puts on his flying shoes to give anyone a good race.

In the distance courses the Hosemen have prospects in Bob Hayes, Glenn Swope, and Billy Pate Altman for the mile, while Pete Peterson grinds away on the marathon two-mile job.

The best news for the Hose's future is that very few men out for track this year are seniors. The squad should be nearly complete next year and ready for a bang-up season.

COACH MURRAY

Tennis

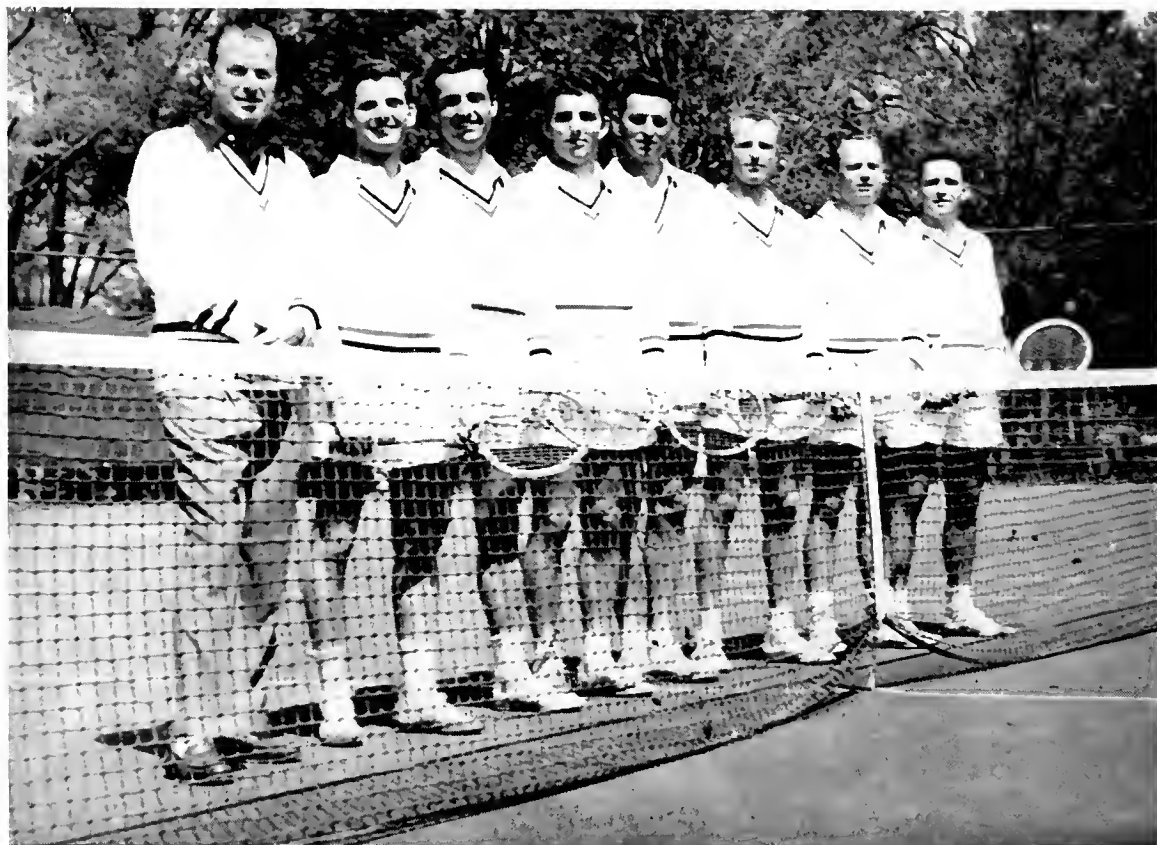

After a wartime lapse of three years, the tennis team of old post-war fame has returned, and once again the Hose are sweeping the state in the sport, giving notice of being one of the strongest teams in the south.

After an opening match loss to the strong Kalamazoo outfit, one of the best in the country, the court stars rolled merrily on their way, and are expected to repeat the state championships in both singles and doubles.

Art Prochaska, the last state champion in 1943, started out the season as the number one man on the squad, but a mid-season injury forced his retirement from the game, and the capable Bob Spurrier took over in his place.

Spurrier, a champion in his own right, has lost only one match this year and has shown

Coach Murray, Harper, Mims, Kaiser, Prochaska, Krouse, Spurrier, Wilkinson

every evidence of keeping the championship in singles nailed to the PC flagpole.

Kay Kaiser has returned to play his sterling brand of tennis for the team and has shown great form this season, usually playing in the number two slot. Kaiser last teamed with Jack Wilkinson to take the doubles crown for the state in '43.

At the third slot is Bill Harper, a freshman, who has been going great guns, followed closely by Roy Krouse, Jack Wilkinson, and another freshman, Leo Mims, who shows promise of great things to come.

This year the Hose had Bob Murray as coach, but lost him in May when another position called him northward. Murray, a former professional from Palm Beach, Fla., gave the team great help in getting them into shape, and his withdrawal leaves another gap in the Hose coaching staff.

For the future the fans can look for good things to come, as such players as Ferdinand Jacobs, state high school champion, Roy Brown, and Dick Lindsay develop to give the team the stars they need to hold up the position of the Hosemen of today.

This has been another great year for the team, another year filled with victories for the school and awards for the players, with a brilliant future anticipated by all concerned.
